

Day 6 - Christ Will Return

Read *Revelation 19:11-16*.

- How do we know from this passage that this is a reference to Christ?
(Verse 13, Verse 16)
- According to verse 15, what is the purpose for which Christ is returning?
- Which other verses inform us that Christ is coming back in judgment?

Read *1 John 4:13-21*.

- How do verses 13-16 inform verse 17?
(Because of verses 13-16, we have confidence for the day of judgment)
- What is the ultimate evidence that we have been transformed by Christ?
(Love)

Close in prayer by praising God that we can have confidence in looking forward to the day of judgment.
