

Code of Conduct for Elevate Camps/Events

In order to create an agreed upon set of rules for our Elevate camps or events, we are requiring each student and a parent/guardian to sign the following covenant of conduct:

- 1) I will actively participate in a willing manner in ALL activities with a positive attitude.
- 2) I will honor and respect those in leadership of the camp and group I am with.
- 3) I will show respect to each student, adult and to myself.
- 4) I will abide by the camp rules and schedules given and be where I am supposed to be when it is given or listed. I will NOT leave my room after lights out without a sponsor or in case of emergency.
- 5) Wherever we are, I will respect the property belonging to the camp or room that I am in. Any property damage or vandalism caused by my hand will result in compensation to the owner by myself or my parents.
- 6) I will not bring electronic devices other than my phone. My phone at camp will be sequestered and used only at assigned times to call home or for emergency use only.
- 7) I will show respect to the opposite gender, will refrain from displays of affection and will stay completely out of rooms of the opposite gender.
- 8) I will follow the "rule of 3" – I will never go off with only one other person or by myself. No matter where I am, I will have at least 2 others with me.
- 9) I agree to refrain from bringing anything inappropriate to camp including but not limited to: alcohol, illegal drugs, cigarettes or vapes, fireworks, knives (pocket knives count as knives), stink bombs, pornography, eggs or anything stupid
- 10) I will remember I am a representative of First Baptist Church of Piedmont and will conduct myself in a manner that is worthy of respect.

By signing this document, I willfully state that I agree to ALL of the preceding terms and I will place myself under the responsibility and authority of First Baptist Church of Piedmont, its pastors and volunteer leaders, as well as any camp staff we may be under and I will respectfully obey all the camp leadership.

Furthermore, I agree that violating any of these rules will result in discipline, which could include my expulsion from camp at my parent's expense.
