*June 17, 2019*

FBC has been blessed in so many ways this past year. The Lord has continued to add to our church, and He has led many exceptional candidates to connect with us regarding our need for a Senior Pastor. Your search team has been busy, but there's still much to do. We have traveled to meet with 6 candidates and their families. We've heard each of them preach The Word. Every member of our search team has key responsibilities here at home each Sunday, so this has required that many of you step-in and serve in our absence. For this we thank you. We are thankful, too, that God has so well-equipped our fellowship with fellow believers that love The Lord and are eager to serve. As you likely know, the recommendations from our Transition Team created a large number of service opportunities - roles that must be filled with you!

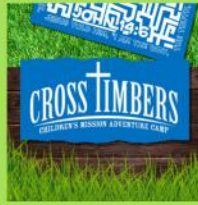

The search team is praying God continues to prepare our church, transform our church, and temper our church for His work. To live our calling of a Growing Family, Growing the Family, to the Glory of God, we must devote ourselves to diligent prayer, seek opportunities to take swift action, and exercise patience as led by The Holy Spirit. Recall one of Brother Scott's early sermons from Revelation when he clarified for us the difference between tolerance and patience. There is a significant difference in simply "putting up" with someone and graciously loving a brother or a sister through differences.

Keep praying, church! We believe we are near discovering who our next pastor will be. We need each of you to continue to pray for clarity, discernment, and the working out of many, many details. God is good. He loves us. He wants to activate His love in us to impact Piedmont and the world around us.

Set your hearts on things above. Colossians 3
